

Why Students Choose MBBS and BDS at Jilin University

September 2026 | Read time: about 3 minutes

Six reasons international students consider Jilin University for medical and dental study, from its national ranking to its English-medium teaching.

The six reasons

01 Ranked #1 for Medicine	Ranked first in the medicine programme by China's Ministry of Education.
02 English-medium teaching	The 6-year MBBS programme is taught in English, and medical classes begin from Year 1.
03 No HSK requirement	The MBBS/BDS programme does not require an HSK examination at any stage.
04 Recognised degree	Jilin University is one of China's premier institutions, and its degrees are recognised internationally.
05 Annual scholarship	Awarded on academic performance as well as class behaviour, attendance and participation in sports.
06 Top-ranked worldwide	Ranked 101-150 by Shanghai Ranking and 223 by CWUR.

Rankings at a glance

101-150	Shanghai Academic Ranking of World Universities (2024)
